

# DELTA VIBRATOR

"...I really appreciated your efforts in making this a mutually beneficial relationship. your great product development and willingness to try new ways of marketing your products really got our customers' attention and brought them to the virtual drugstore.com register with handfuls of tantus merchandise."

- Scott Steffans  
Manager Sexual Well-Being, Drugstore.com

## *touching on all the right spots*

Tantus announces the release of the Element Line of silicone sexual health products. They are a series of smaller, vibrating toys that work from top to bottom. size: 1" x 4.88"

The Delta Vibrator features a clitoral stimulator that flutters against the clit while the slim  $\frac{3}{4}$ " x 3 inch finger presses against the g-spot. The effect is amazing. All the elements feature a new ergonomic base with a grooved base that holds the thumb and is angled for a uniquely comfortable experience. The Delta is a perfect toy for solo or couples play. It also features a removable vibrator that can be easily replaced or upgraded to a multi-speed unit.

Each Tantus product is meticulously manufactured by hand in the U.S.A. With pride and precision our craftsmen use the finest materials available creating the world's best sexual health products on the market. Tantus is a 100% green manufacturer and all of our sexual products are healthy for the body™ - they are, always completely, non-toxic and phthalate free.
